

Omnia Ingredients GmbH & Co. KG

Dragees, Toppings, Cereals

With more than 500 Omnia core products, we guarantee our customers a multitude of creative combination options. Our ingredients are used as inclusions or toppings in dairy products, ice cream and baked goods or simply enjoyed as a small snack.

Omnia Top Cups Solutions

We deliver various topping options in individual top cups to match your product. Regardless of whether you choose a standard solution or we should develop something completely new for you. You will receive your desired product packaged and ready to use – quickly, cost-effectively and simply.

Individual packaging solutions – Folding Boxes, Buckets, Sachets

In many cases, it is the packaging that sells a product to the target group. Therefore, we offer individual packaging solutions in folding boxes, buckets and sachets for all our assortment. The products can be distributed by our brand Decoressa® or as a Private Label. Please contact us for more information.
