New design for the C&H Sweet Hearts Drops

The sweetest surprise. The Sweet Hearts Jars from C&H in the two varieties "Love" and "Friend" have a new look. Better product differentiation is now possible thanks to a new eye-catching and emotional label design. The "Love" edition convinces with fruity cranberry and smooth vanilla drops, the "Friend" edition inspires with exotic passionfruit and fragrant pomegranate drops, both with a smooth hint of vanilla. The new design gives the heart shaped drops a more modern and youthful image. A great development for the giftable C&H Jars.
