Variety of the Year 2023: Dr. Karg's Crispbread Fiesta Taco "Style"

The new Dr. Karg's crispbread Fiesta Taco "Style" welcomes the South American cuisine. The crispy dough with wholegrain wheat and corn flour is seasoned with taco-style spices, topped with hearty cheese, parsley and mild chili flakes. The mouth watering taco taste adds a special highlight to the cracker and crispbread shelf. The Variety of the Year 2023 is vegetarian and, as usual for all products of Dr. Karg's, made from natural ingredients only. Note: temporary available in Germany from January-December 2023. For export countries: minimum order quantity on request.
