Trendy praline gifts with beautiful butterflies

These stylish butterfly gift items will enchant your customers. The outstanding packaging design has been created with great attention to detail and goes perfectly with the filigree crystal glass butterflies as well as colorful wooden butterfly hangers and clips. These gifts are sold with fine milk chocolate pralines with a delicious praline cream filling.

Discover our new range of effective sprinkles

The BackDecor product line, designed for consumers, offers numerous products for decorating sweet delicacies quickly and easily. Let your creativity flow and give your creations an extraordinary look with our various types of new sprinkle mixes sold in practical resealable boxes. All BackDecor items can also be produced as private label.

Falling in love with our new filigree hearts

Discover our new filigree hearts which impress with their unique shape and eye-catching pink color – a perfect way to show your feelings with a lovely decorated sweet delicacy. This assortment of large and small filigree hearts contains cacao butter and is resistant against humidity and fat.

New ideas for creative decoration

Numerous new eye-catching confectionery decorations will give your creations a unique touch. A wide range of sugar, chocolate and marzipan decorations, sprinkles, powder, effect sprays, rolling fondant and food colorings makes creative decorating easy.
