

Günthart & Co. KG

Novelties of Christmas gifts

Our new Christmas gift items will enchant your customers. These chocolate praline gifts increase in value through their extraordinary accessories like wooden santa and polyresin snowmen as well with festive ribbon mesh decorations. These gifts are trendy but still maintain their traditional flair – typical Günthart.

Discover our new range of effective sprinkles

The BackDecor product line designed for end consumers offers numerous new products like the Christmas sprinkles mix and gold chocolate nuggets sold in practical reclosable cans. The new edible gold glimmer stars made of cellulose will give your creations a glamorous, sugarfree touch. All BackDecor items are also available as private label.

Festive decorating easily

Sweet delicacies can now be decorated quickly and easily with our new funny sugar dwarfs and eye-catching Christmas decorations made of fine dark chocolate in different shapes like star, heart, Christmas ball and tree. Discover also our new set with glimmering writing icing in red, gold and silver color for easy decorating and precise writing.

New ideas for Christmas decoration

Numerous new Christmas confectionery decorations will give your creations a unique touch. A wide range of sugar, chocolate and marzipan decorations, sprinkles, powder, effect sprays, rolling fondant and food colorings makes festive decorating easy.
