Falling in love with our new ruby praline hearts

These new praline hearts are available in several eye-catching designs. They are made of trendy ruby chocolate filled with nougat cream. Discover this new naturally pink chocolate sort, which has a unique flavour: fruity and slightly sour at the same time. Without added colourings or flavourings.

Easy decorated with creative chocolate sprinkles

The BackDecor product line designed for end consumers offers numerous new products like “Choco-Fun” sprinkles in 4-chamber cans. Sweet delicacies can be decorated quickly and easily with these four variants of chocolate/sugar sprinkles. Let your creativity flow and give your creations the ultimate chocolate kick. All BackDecor items can also be produced as private label.

Discover our new chocolate & strawberry sauces

The new fruity sweet strawberry sauce and delicious chocolate sauce convince not only with their fantastic taste but also with their easy handling. The pointed resealable spout and the soft bottle allow easy decorating and precise writing. The sauces are due to their consistency perfect for all decorating work - they are liquid, but do not run.

Taste our stylish blonde caramel praline hearts

These new praline hearts are offered in several attractive designs. Their coating is made of 100% chocolate: white couverture with caramel – without colouring. There’s a delicious nougat cream filling inside these praline hearts. Enjoy them and feel the “Blonde power”!
