Dark Edition

Discover Niederegger's new edition dark classics: finest marzipan in bitter, nutty flavours, encased in milk or dark chocolate. The 200g box offers a variety of four different flavours: coffee-nut marzipan with crispy hazelnuts, dark chocolate marzipan with cocoa nib croquant, walnut marzipan with crunchy walnut pieces and salted cashew marzipan with salted cashew chunks.

Spring edition by Niederegger

The fresh new look is the characteristic design for Niederegger's spring edition. Four delicious marzipan flavours are avaible: caramel brownie marzipan, cheesecake marzipan, double chocolate marzipan and vanilla toffee marzipan are the tasty combinations in this 112g box.

Another highlight of the spring edition is the master selection. This 200g box allows you to sample the whole range of Niederegger products from marzipan to nougat and praliné.

Niederegger chocolate: minis

Try Niederegger's new chocolate range in mini format. The flavours toffee crunch, crispy wafer, pink berry and coffee crisp are a uniquely chocolatey delight that will leave you wanting more! First crisp, then delicately melting – always chocolatey. The 120g box comes along with 16 lovely chocolates.
