Niederegger's classics - new flavour!

Chocolate caramel gugl is Niederegger's marzipan classic of the year 2022. It tastes like a real classic from the bakery. Juicy cocoa marzipan and delicious caramel pieces match perfectly and are covered in crunchy dark chocolate. This unique combination tastes like freshly baked. The 100g box is a great eye catcher at the point of sale.

Niederegger's marzipan loaves - new flavour!

Niederegger's loaf of the year 2022 apple-chocolate-crumble inspires with a delicious combination of juicy, sweet apple pieces, refined with delicious crumble pieces. The perfect taste of this 125g marzipan loaf is completed by a layer of melt-in-the-mouth milk chocolate.

Niederegger's chocolate

Chocolate reinvented: high quality ingredients, unique flavours and gorgeously designed packaging. High cocoa butter content, the avoidance of palm oil and artificial flavours and the fact only genuine ingredients have been used results in a truly special chocolate taste experience created by Niederegger. The 200g package with four different flavours offers the perfect assortment for chocolate lovers.

Niederegger's nougat

Nougat Easter basket: Niederegger's nougat range comes along with a great variety of different tastes and shapes. A delicious mix is presented in the 215g nougat Easter basket. Lovely nougat hearts and easter eggs make this collection a perfect gift.
