Johannes Lühders KG

VEGAN Assortment

Our vegan assortment in 7 variaties without gelatin but with 20% fruit. Of course only with natural colours and natural flavours, without any preservaties and allergic free. For more than 100 years vegan items are available at Luehders. Long before „vegan“ became common like today processing fruits into vegan and natural sweets has a long tradition. A delicious treat. Enjoy the unique taste and texture!

Ginger Specialties

Enjoy our wide range of ginger products. We are specialists in processing ginger for more than 100 years long before ginger became so popular as it is today. Enjoy our wide range of delicious ginger products, healthy natural and delicious! Try our Ginger Syrup for cooking, baking or BBQ, enjoy it as topping on your toast or dessert, mix it in your tea or drink. Discover the different treats!

HALAL Assortment

Our halal assortment covers up to 12 variaties with beef gelatin and halal certification. Of course only with natural colours and natural flavours, without any preservaties and allergic free. A delicious treat as well. Enjoy the unique taste and texture!

Dietary Supplement in Fruitgums

With or without gelatine, vegan or halal: Enjoy our wide range of fruitgums with supplements. We are specialists in processing supplements in gummies and preserve the high standards in quality and taste. Your projects - our experience! Get in touch!
