Klett goes vegan

In respond to the increasing demand of consumers for vegan products, we introduce a new vegan line from Christmas 2022 onwards. One of the first available products will be an 80g decorated Santa. In addition to that 50g foiled figures will be available for Christmas and Easter.

New item – Klett “Hot Chocolate Bombs”

Our fine Klett chocolate is now also available to drink. The milk chocolate balls are filled with marshmallows. Simply drop the ball into hot milk, stir and enjoy.

Klett Santa 130g – New Design

Starting with Christmas 2022 we present our 130g Santa in our new uniform Brand-Design. In addition to our tasty milk chocolate, the Santas are also available in white chocolate and dark chocolate.
