Klett goes vegan

In respond to the increasing demand of consumers for vegan products, we introduce a new vegan line from Christmas 2022 onwards. One of the first available products will be an 80g decorated Santa. In addition to that 50g foiled figures will be available for Christmas and Easter.

Klett Sitting Bunny Classic, 150g

Starting with Easter 2022 we present our new 150g Sitting Bunny Classic in our new uniform Brand-Design. In addition to our tasty milk chocolate, the Bunnies are also available in white chocolate and dark chocolate.

Klett "Nougat Möpse"

With the Klett "Nougat-Möpse" the company launched a new product in December 2021. The Nougat-Möpse come in a 125g bag and are available all year-round. The creamy nougat filling in combination with our delicious milk chocolate creates the ultimate taste experience – a must have for everyone, not only pug lovers.
