

Klett Schokolade GmbH & Co. KG

Feines aus Schokolade

Klett Schokolade, a family owned business since 1953.

Our chocolate factory is located in Baden-Württemberg. Our fine chocolate figures, chocolate bars and handmade pralines, from our own praline manufactory, can be found on the shelves, in Easter Baskets, Santa Boots and Pantries all over the world.

Klett Schokolade

Klett's traditional Christmas and Easter Range with various foiled and decorated hollow chocolate figures. Our decorated chocolate figures are made from fine milk chocolate and we offer a unique variety of different hollow chocolate figures from very small to very big.

Relaunch Foiled Easter Bunnies

Starting with Easter 2021 Klett presents all foiled Easter Bunnies in a new uniform Klett-Brand-Design. With the new modern design, we want to archive a better brand recognition by the end consumers.

Klett Novelties 2021

From 2021 onwards Klett also offers a new range of solid and filled cones for Christmas and eggs for Easter. As a standard we can offer the product with praline cream, nougat cream or milk cream filling. Other fillings will be available soon. The creamy fillings in combination with our delicious chocolate creates the ultimate taste experience. A solid chocolate egg/cone completes the range.
