NEW: ACTIVE PIT SPORT DEXTROSE RASPBERRY

Dextrose cubes with high-quality raspberry powder convince not only fast thinkers and athletes but also connoisseurs with their fruity raspberry flavour. 5g single portions, for quick energy supply during physical exertion. 200 pcs. in the screw-top tin.

Mekong - Lemongrass

This fine cocoa is reminiscent of a holiday in Asia, subtly composed with the taste of refreshing, citrusy lemongrass and a hint of chilli.

Especial No 2 - 55% fine raw cocoa Arriba Nacional

This organic raw cocoa powder made from Arriba Nacional raw cacao beans is produced from one of the best cocoa varieties in the world. The fruity-floral cocoa variety has a unique flavor profile. "Raw" means that the cocoa beans are fermented after harvest, but not roasted. The cacao from this project comes from organically managed forests.
