Seeberger GmbH

NEW: Seeberger Seed Mix Tomato & Hemp

The combination of crunchy hemp seeds, mildly nutty sunflower seeds, crispy pumpkin seeds, fruity tomato chunks and roasted soybean seeds elevates every bowl of plain salad to a higher place. Fortunately, it is completely legal and has no intoxicating effects!

“Brand of the century” award for Seeberger Luxury Nut and Raisin Mix

We are proud to have been rewarded “Brand of the century” (“Marke des Jahrhunderts”), a highly prestigious award given by the ZEIT Publishing Group expert panel to influential and representative German brands in their respective field and released in the “German Standards”. The award seal will be featured on our Luxury Nut and Raisin Mix packs. Snack naturally & healthy with the best brand!

Seeberger Microwave Popcorn with Caramel Flavour, Sweet and Salted

Typically sweetened with sugar, or a touch more refined with caramel – the Seeberger Microwave popcorn is for every sweet tooth. Plain and salty, savoury lovers get their share too. You can prepare any of them in a few minutes in the microwave. For a better planet, these products are vegan and without palmoil.

Seeberger Gourmet Nut Mix roasted, salted

Now available in a big 350g pack: The Seeberger Gourmet Nut Mix with cashews, almonds, peanuts and macadamias. Pleasingly salty and varied, it complements the evening perfectly.
