The Squiggles / Squiggle Twist

The cheeky Squiggles in six fruity flavours: pineapple, raspberry, lime, orange, strawberry and lemon. Our sweet and sour butterfly provides the extra portion of fun. The funny two-coloured Squiggle Twist are inseparably crossed three times. Not only does it look cool, but also ensures maximum fun. With three sweet and sour double- fruit varieties: lemon-strawberry, apple-blueberry and orange-pineapple. Both products are natural colouring and flavouring.

Sour Glowworms

Our sour Glowworms: iconic, popular, a little crazy and absolutely delicious. Their soft consistency and sour cherry-lemon, lime-orange and strawberry-grape flavours make for a fun and exciting taste experience. A must-have fruit gummy for everyone.

Party Burger Minis

Our popular Party Burger Minis have long since attained cult status in the wild and wonderful fruit gummy world. Not just on account of their attention to detail but also because of their innovative flavor combinations of rhubarb, raspberry, strawberry and pineapple-kiwi-geoseberry with touch of yoghurt and cream the mini burgers are the star of every party. Perfect for sharing!

Pop Eye

Our Pop Eye cause a stir at Halloween parties and wherever else they appear. Their unique look and incomparable taste with an unexpectedly sour soft filling are sure to thrill fruit gummy fans everywhere. Trolli's Pop Eyes: often imitated, never bettered.
