Hand Puppet

Windel's new Easter range offers a compact assortment of out-standing ideas and tasty chocolate for Easter. For example, the newly developed hand puppets. The lovable, cuddly hand puppets (mouse, lion and crocodile) have a size of about 20cm and are suitable for children and adults. For lively and imaginative play, the mouth can be moved. Together with the delicious chocolate pieces with milk cream filling, they are the right choice for your individual present for Easter.

Easter Plush figure "Little Big Mouth"

The cuddly plush animals are the perfect gift to make children's eyes shine. When opening the zipper, the plush figure shows its teeth and the sweets. Even after eating the sweet filling, they can be reused for pencils or toys. These high-quality plush figures are filled with fruit gum and tasty chocolate pieces with milk cream filling (93 g).

Fun Easter Colouring

Everyone loves giving presents and making friends and family happy. These cute ceramic figures can be colored by the kids. Windel offers a complete set with a brush and a paintbox. Combined with some delicious chocolate it is the great surprise that combines playing with enjoying the sweet filling.

Easter Egg "Traditional Easter"

Windel is a specialist for sweet presents and offers many products for the Easter season. A traditional Easter shape, for example, is an egg. In this case, it is made of metal and filled with a milk chocolate bunny, chocolate eggs and milk cream chocolate pieces (100g). Eye-catching: The nostalgic design.
