Ornament Star

On the pulse of time: beautiful ornaments combined with elegant and glossy finishing. Everything offered in line with the highest quality standards. A must for all lovers of great chocolate because this product is filled with delicious chocolate pieces in two different flavors: hazelnut and milk cream. The tin is very suitable for storing large and small delicacies. All in all a perfect Christmas highlight!

Wooden Horse

Windel stands for a wide variety of gift ideas, ranging from the popular classics to innovative packaging of sweets, constantly presenting the tradition in a new way. Then as now, the wooden horse is one of the real classics for children under the Christmas tree. So perhaps this one will bring back memories... The wooden horses are beautiful, simple and of high quality and come in 2 different colours. The delicious chocolate and chocolate pieces with milk cream filling are guaranteed to be snacked on in no time - no one can resist.

Reversible Plush

Parents and grandparents want to make their children and grandchildren at Christmas happy with a sweet gift. The reversible plush is for playing, collecting and cuddling. It can be turned over in no time and displays the mood throughout different faces. These cute and high quality plush figures combined with fruit gums and delicious chocolate promise to be a successful surprise.

Put-up-Calendar Townhouse

Windel offers the widest range of chocolate-filled advent calendars and is well known for calendars in various shapes, sizes and designs. This nostalgic townhouse can be opened and a beautiful scene of the inside appears. The advent calendar is filled with 75g milk chocolate and is designed and manufactured with care and great attention to detail.
