Honey - Almond Crunchies

These crunchies are sweet and delicious! Chocolate, honey, almonds and cornflakes, these 4 words alone get the taste buds going and make your mouth water. Our guarantee: addictive!

Mint Crunchies

The mint provides an excellent, delicious and fresh taste! Anyone who loves mint will also love these crunchies! The Gartmann chocolate mint crunchies in plain are simply delicious and crunchy thanks to the mint and the hint of sea salt. Don't hesitate, try them right away.

Liquorice Crunchies

Yummy... if you love liquorice, you'll love the crunchies too, and even those who don't like liquorice so much should try them, because even supposedly non-liquorice lovers have already fallen for them. The Gartmann chocolate crunchies in plain are mega crunchy and liquoricey. The sea salt gives the crunchies a very special note and makes them a real taste experience. But the best thing is to try the chocolate liquorice crunchies for yourself. They are also available with milk chocolate.

Organic Almond Crunchies

The taste of almond makes your heart beat faster? Then our Organic Almond Crunchies are a must have! Delicious almonds coated with melt-in-the-mouth melting chocolate and a crunchy centre - just the thing for every chocolate fan! By buying these delicacies, you are also doing something good for the environment: The ingredients are from controlled organic cultivation and the packaging is also 100% recyclable and thus protects nature.
