"A-Z" Milk Chocolate Miniature Bars

We sweeten the start of school with our delicious letter chocolate miniature bars from A to Z. With the help of the little chocolates, names or words can be laid before the delicious chocolate is eaten. The colorful design of the packaging and the cute animal motifs create a nice gift.

Pencil Box "A-Z"

From the first day of school the A-Z pencil box should not be missing in any school bag. With a practical zipper you open the metal box with the cute animal motifs. The children can use the tin afterwards ideal for storing pens, erasers, sharpeners, rulers or other small parts.

Shell Tin "Mermaid"

The children's theme "Mermaid" makes the wishes of many young girls come true. This tin has a beautiful print which glitters in bright colors. The tin is filled with delicately melting milk chocolate with a fine milk cream filling. Afterwards, the tin is wonderful for storing personal treasures.

Rocket "Astronaut"

3, 2, 1... and the rocket takes off. The rocket is a real eye-catcher in the astronaut series. The extraordinarily constructed shape is perfect as packaging for the delicious milk cream chocolate pieces – a perfect gift!
