

Günthart & Co. KG

Novelties of gift items for winter season

Our new gift items for winter season will enchant your customers. These chocolate praline gifts increase in value through their extraordinary accessories made of wood and artificial fur as well as with eye-catching package design. These gifts are trendy but still maintain their traditional flair – typical Günthart.

Discover our new range of effective sprinkles

The BackDecor product line designed for end consumers offers numerous new products like several kinds of Christmas sprinkles mix sold in practical reclosable cans. The edible gold glimmer stars made of cellulose will give your creations a glamorous, sugarfree touch. All BackDecor items are also available as private label.

Festive decorating easily

Sweet delicacies can now be decorated quickly and easily with our new trendy sugar decor set and eye-catching Christmas decorations made of white chocolate with different styles of funny figures. Discover also our new choco writing in white and brown color for easy decorating and precise writing. These stable decor writings with a high chocolate content are sold in practical reclosable tubes.

New ideas for Christmas decoration

Numerous new Christmas confectionery decorations will give your creations a unique touch. A wide range of sugar, chocolate and marzipan decorations, sprinkles, powder, effect sprays, rolling fondant and food colorings makes festive decorating easy.
