### NEW: Flavouring Paste for Christmas Bakery and Desserts

The Organic Gingerbread Spice Paste is based on organic agave syrup and high quality organic gingerbread spices. Our ready to use flavouring paste creates a traditional Christmas taste for cakes, biscuits, desserts and ice creams.

### NEW: Our highlight of colourful PICKERD Cake Icings in Pouches

From November our unique Cake Icings will be available in the colours red, blue, turquoise, green, pink and black. The Cake Icings are the perfect match for covering or fine decorating and writing of cakes, pies, muffins, cake pops and cookies. Filled in a convenient and resealable pouch with decoration spout. Two possibilities to heat them up: microwave or hot water bath.

### NEW: Sprinkles Innovation 2021

Five super extraordinary and unique sprinkles mixes designed for the retail. Why extraordinary: 20 different individual components such as delicious chocolate balls and shiny and twinkling sprinkles. Different sizes and shapes – perfectly matched for particularly creative cake decorations and ice creams.

### NEW: Line extension Christmas Mini Cookies

Our new Mini Cookies Winter Mix contains little stars, christmas trees, snowmen and gingerbread men with a delicious cinnamon taste. They will match perfectly as decoration for cupcakes, muffins and cakes, but also delicious for ice cream, desserts, cereals or bowls.
