Milk Bits

With Milk Bits, Riegelein adds a new year-round item to their range. Delicious milk cream with roasted hazelnut pieces enrobed with white or milk chocolate. Pure indulgence! A modern Doy-style package and double twist wrappers with assorted designs are the distinguishing features of the Riegelein branded product, which is available with 166g/185g. The Milk Bits are the perfect product for the whole family.

Snowman with knitted beanie

Beanies are "cool". Delicious milk chocolate characterizes the Riegelein snowman (125g), which is available in four different designs. The special feature of each snowman is a knitted beanie, which is available in different colors. A real eye-catcher and a special product. Perfect for gifting or decoration. Best for munching, yummy!

Bunny filled with candy covered chocolate lentils

Riegelein has always offered their customers a wide seasonal assortment offering the right product for (almost) every customer, e.g. the classic Long Ear Chocolate Easter Bunny (100g), which is certified according to the Fairtrade Cocoa Program and filled with delicious, colorful candy covered chocolate lentils. A must for the Easter season! Also, check out the candy filled eggs....

Flower Line-Bunny

The Flower Line Easter Bunny (140g), which is available in four colour variations, is representative of all the chocolate manufacturer's creative chocolate products. Riegelein is the first top supplier of seasonal chocolate articles to adopt the Fairtrade cocoa program for their entire brand range. The company is best known for their creativity, love to detail and fine milk chocolate.
