The 100g packages with a stylish and colourful design are a great eye catcher at the POS.

## Christmas pastry "Stollen"

The German "stollen" is one of the most popular pastries for Christmas. The Niederegger stollen is baked with succulent marzipan in top Niederegger quality. The design gives a modern spin to the classic Niederegger design elements. A highlight of this range is the 1000g package as well as the mini stollen by 80g.
