Klett Schokolade

Klett's traditional Christmas and Easter Range with various foiled and decorated hollow chocolate figures. Our decorated chocolate figures are made from fine milk chocolate and we offer a unique variety of different hollow chocolate figures from very small to very big.

New item – Klett "Hot Chocolate Bombs"

Our fine Klett chocolate is now also available to drink. The milk chocolate balls are filled with marshmallows. Simply drop the ball into hot milk, stir and enjoy.

Trick or Treat?!

The "scary season" season is not neglected either. A witty Halloween range complements the classic seasonal range. The bags with balls or pins provide scary chocolate moments. The coffin is available in two different sizes with different contents.
