Klett Schokolade

With a lot of passion for fine quality chocolate, Klett Schokolade manufactures premium novelty chocolates for over 60 years. The traditional family company was founded in 1953 by Walter Klett and is run by the second generation today. Klett Schokolade focuses on the Christmas and Easter season and offers a range of All-Season products as well as private label. Well-known as a quality-conscious partner for customers and end consumers, Klett Schokolade meanwhile manufactures over 200 different hollow chocolate figures. This wide range expresses the unique variety of the company. With loving attention to variety, we also offer our range in organic and UTZ certified chocolate.

Klett Novelties 2021

From 2021 onwards Klett also offers a new range of solid and filled cones for Christmas and eggs for Easter. As a standard we can offer the product with praline cream, nougat cream or milk cream filling. Other fillings will be available soon. The creamy fillings in combination with our delicious chocolate creates the ultimate taste experience. A solid chocolate egg/cone completes the range.

Klett All Year Round

Klett also offers a range of All-Season products which can be hollow or solid chocolate figures, chocolate bars and filled chocolate products. Our Klett Choco Bear for example with milk cream filling is much loved by children. The creamy milk filling in combination with our delicious milk chocolate creates the ultimate taste experience.
